

CHERRYOLA WINS  
BY THREE LENGTHSVictory in Feature Race at Sara-  
toga Proves a Big  
Surprise.

Saratoga, N. Y., August 29.—Cherryola, at 10 to 1, proved a big surprise when she easily won the handicap at one mile, the feature of the card here today. She was ridden by Moore, and after trailing her field to the head of the stretch, found an opening and coming out with a rush, caught the leader at the furlong pole and won by three lengths.

Jackey Carroll Shilling will not ride here until the future, when he will have the mount on Novelty. Sam Hill-dreth is taking this precaution so that he will not be deprived of his rider in the rich stake. The boy might be suspended for a few days.

First race—selling, three-year-olds and up, \$400 added, six furlongs—Rose Queen (7 to 10) first, St. Alve Scott (8 to 5) second, Herpes (20 to 1) third. Time, 1:12.

Second race—handicap, steeplechase, \$500 added, about two miles—Stour (2 to 1) first, Diebold (11 to 5) second. Time, 4:20. Two starters.

Third race—two-year-olds, \$400 added, five and a half furlongs—Rogan (15 to 1) first, Helen's Babies (8 to 5) second, Ladasette (7 to 1) third. Time, 1:05 4-5.

Fourth race—handicap, all ages, \$600 added, one mile—Cherryola (10 to 1) first, Field Mouse (5 to 1) second, Black Mate (12 to 1) third. Time, 2:25.

Fifth race—selling, three-year-olds and up, \$500 added, one and one-eighth miles—Hill Top (16 to 5) first, Taboo (3 to 1) second, Lady Esther (7 to 1) third. Time, 1:52.

Sixth race—two-year-olds, \$400 added, six furlongs—Heatherbloom (13 to 5) first, Princess Callaway (2 to 1) second, Vio, Octavia (7 to 1) third. Time, 1:13 1-5.

MARRIED MEN'S TEAM  
HAS SPLENDID RECORD

[Special to The Times-Dispatch.]  
Carterville, Va., August 29.—An interesting game of baseball was played here Saturday night between the Carterville team and what is known as the married men's team. The married men's team has been playing ball occasionally for three years, and is made up of many married men that can be induced to play, whether he has ever played ball before or not. The team never goes from home to play, but has played a number of games during its existence with a number of teams, and has the record of having won 95 per cent. of the games played. It will play the Ashby team next Saturday afternoon.

The Scenic Highway Through the Land of Fortune  
P. W. PUMMILL, District Passenger Agent,  
711 Chestnut Street, Philadelphia.

## Some Baseball Talk

By HALF NELSON.

Since he has been purchased by the New York Americans Dutch Revelle seems to have lost his art. Walter put it all over him yesterday, and there still is the sting of many defeats galling the Richmond fans. Until he was purchased by the Americans Revelle was one of the most consistent winners on the Richmond club, but since that time he has done nothing.

Walsh, who pitched rings around Revelle yesterday, on the other hand, came to Richmond without a job and begged Jack Lawlor to give him a job. Lawlor would have none of him, and Walsh went to Norfolk. Win Clark thought he looked good, and put him on the salary list. Since that time Walsh has made the club think very well of the salary given him, and has held the team together when it looked equally.

Roanoke, as is usual, took the first game from Danville. The Highlanders know that every game taken from Danville counts as a distinct victory, and every man is working to make the games belong to Roanoke. Walter Doane is, of course, the high card of the Roanokers, and he pitches to win. The question as to where he belongs will matter little at the end of the season, and if Roanoke laps Danville for the pennant it is due to Doane, that the pennant will be Roanoke's.

Petersburg, as is usual, lost again. When the Portsmouth team started out it swept everything before it. There was nothing else to it. Portsmouth

won. Then Bob Stafford skipped the game, and Portsmouth began having difficulties in regard to finance. Since the financial trouble began there has been no thought of the Portsmouth, or Petersburg, team winning the pennant. The team does not work together, and the management does not seem to be able to get them together.

In the first place Petersburg has a rattling good team if the players could be worked out. There are Clunk, Booe, McFarland, Bowen, Kirkpatrick and Putnam, all of whom are first-class men, and who could make up the nucleus for a first-class team if they had the proper workouts. As it is, however, each man is playing for himself, and the team is at the bottom of the percentage column.

In regard to the question "A Subscriber" has asked in regard to whether or not Petersburg made ten runs in the first three games last week with Lynchburg, the writer is of the opinion that Petersburg did not. The bet was that Petersburg would make ten runs in the first three games of the week. The last game was a tie, 3 to 3. Petersburg made six runs in the other two games. It seems to the writer that the Petersburg team failed to make the required number of runs, and that therefore the one who bet that the team would make ten runs lost his wager. The tie game was a game, no matter what the score was.

The report that Lucas, the president of the Northwestern League, will resign for the presidency of the Virginia

League, looks just a little ridiculous. The Northwestern League is a class higher than the Virginia League, and the inference, although the writer has no idea of salaries, is that the Northwestern League is paying the biggest envelope. Why should Lucas want to come to Virginia if the salary is smaller?

The writer would a whole lot rather see Billy Hannan, of Norfolk, or Bob Williams, of Roanoke, president of the league than Lucas, and believes either would make a better man.

## Around the Hotels

Recent developments in national politics have aroused the deepest interest with the traveling public. In every hotel lobby when two or more men are gathered together one may hear a mention of Teddy, the Terrible, and his exploits. In most cases there are varying opinions in any crowd which gather.

Probably a large majority of the travelers have words of praise for Mr. Roosevelt. Whether they agree with him or not, they usually express gratification at his course, even if only because it is likely to help the Democratic party. The very audacity of the man, and his apparent independence of thought and expression find favor.

Republicans in bad. There is, however, little dissent from the conviction that the Republican party now is in a bad way. Whether or not the Old Guard in New York elects to fight Mr. Roosevelt, no one thinks they will fight him. If he gets in control of the New York State Convention they are certain to "lay down" and do nothing for the party ticket. On the other hand, if they are in the majority remarks from Mr. Roosevelt are expected which will do the nominee no good, and which will divert thousands of votes to the Democrats.

In the nation at large the result is expected to be the same. "Nothing on earth can save the Republican party this year," said a man at Murphy's last night. It is facing a certain defeat as any party has done in the history of American politics. Mr. Taft has not caught the popular fancy, and the people everywhere are thoroughly disgusted with the system whose final production is Joseph G. Cannon.

Harry Tucker, proprietor of the Park Hotel, went to Washington yesterday on business.

WILL CONSIDER  
CHANGES IN RULESNumber of Southern Football  
Coaches to Meet With  
Dr. Lambeth.

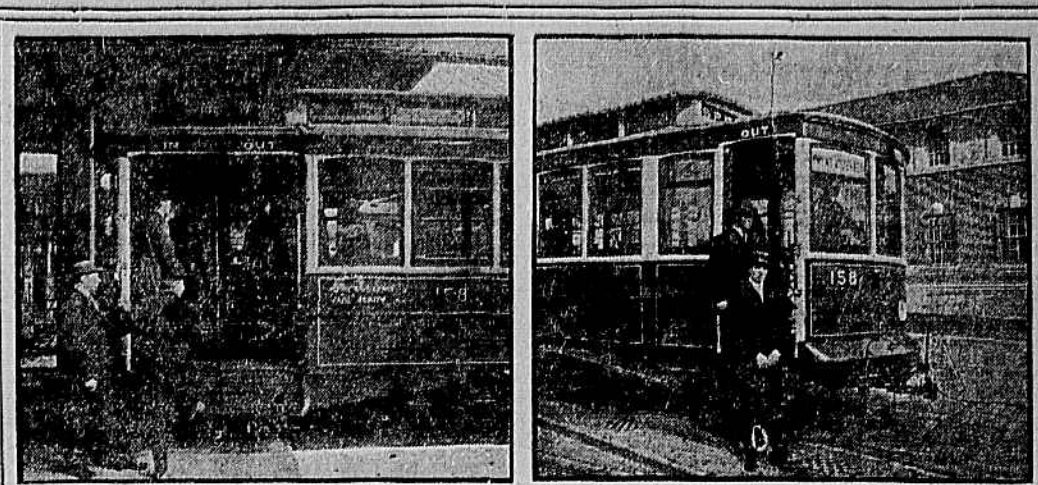

[Special to The Times-Dispatch.]  
Charlottesville, Va., August 29.—In response to a request from a number of Southern football coaches, Dr. William A. Lambeth, of the University of Virginia, a member of the football rules committee, has decided to hold a conference here for the purpose of discussing changes in the rules, and arranging an offensive and defensive program for the season.

The meeting will be held at the University Hotel, September 3. Among the coaches who will attend are Johnnie Neff, who will handle the University of South Carolina squad this fall; Billy Gloth, who will again be at Virginia Military Institute; Rice Warren, of the University of North Carolina; College and Dr. Charles Crawford, who will coach the Virginia eleven.

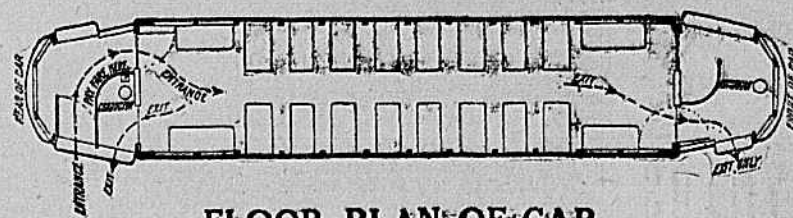

Federal Court in October.  
The United States District and Circuit Court will convene in Richmond on the first Monday in October. Judge Edmund Waddill, Jr., will preside. The most important case will be that of the Phil C. Kelly Company, incorporated, indicted in more than 100 counts by the grand jury for violating the United States internal revenue laws.

Boys' Brigade Drills.  
Picked squads from the Boys' Brigade were again drilled last night by Lieutenant L. T. Matthews in preparation for the Labor Day sham battle. The youngsters marched with a creditable precision and businesslike manner from the Seventh Street armory to the City Hall, where they went through the regulation manual of arms.

Building and Repair Permits.  
The following buildings and repair permits were issued at the office of Building Inspector Beck yesterday:  
Ida M. Randall, to erect a two-story brick dwelling at 325 East Broad Street, cost \$1,000.  
H. S. Wallerstein, to repair four brick dwellings, 1534, 1536, 1538 and 1540 West Cary Street, cost \$1,000.  
Fannie W. Olin, to repair frame dwelling, 312 North Thirty-sixth Street, building addition, cost \$1,000.

## Pay-As-You-Enter Cars

FLOOR PLAN OF CAR

During the month of September new cars of the pay-as-you-enter type will be put into operation on the Road Main line. In adopting this type of car the company has three principal objects in view:

First—The prevention of accidents to passengers entering or leaving car.  
Second—The facilitation of the collection of fares by the conductor, enabling him the more closely to attend to the operation of the car.  
Third—The elimination of pushing and crowding, by keeping the conductor out of the car and by providing separate doors for entrance and exit of passengers.

Pay-as-you-enter cars are being adopted as standard in all of the large and more progressive cities in this country, fifty different companies in the United States now operating over six thousand cars of this type, and the records prove the great success, both from the companies' standpoint and the standpoint of the patrons. It is believed that the above results can be fully realized here if the company has the co-operation of its patrons in the observation of a few simple rules, as follows:

1. Passengers are requested to have exact amount of fare ready, cash or tickets.
2. Passengers will enter only by rear platform at point marked "entrance" on car, and follow the direction of the arrow on the above drawing.
3. Passengers will deposit the exact amount of cashfare or ticket in fare box and pass into car through the entrance door.
4. Transfers will be handed unfolded to conductor and not deposited in fare box.
5. Passengers needing change or tickets will receive the full amount of change or tickets from the conductor, out of which passengers will deposit fare in fare box.
6. Transfers will be asked for at time of depositing fare in fare box.
7. Passengers desiring change, tickets or transfers are requested kindly to allow those with exact fare and not needing transfers to pass in first, thus facilitating the movement into the car.
8. Conductors are not required to change bills of larger denomination than \$2.00.
9. Standing on rear platform will not be allowed, as it blocks entrance and exit.
10. No baggage or bundles will be allowed on the platform. If too bulky to be taken inside, baggage will not be allowed to be taken on car.
11. Passengers desiring to leave car will use front doors as far as possible.

Respectfully,

VIRGINIA RAILWAY AND POWER COMPANY.

WILL RESULT IN  
SECRET PRACTICECoaches Find It Necessary to  
Hide Ignorance of  
New Rules.

New York, August 29.—There will be a lot of secret practice in football this fall. It was so the last time the rules were revised, and there is every indication that this time will prove no exception. The early institution of secret practice is often unimportant. When new rules go into effect many coaches start secret practice at once, so as to conceal their own ignorance and lack of initiative and invention until such time as they can get a line on what other coaches are doing with the game.

Since the days of Lorin F. Deland nothing of great novelty—nothing at all startling—has been evolved in the course of secret practice, and as a rule the team that plays the all-around game the better is the winner. Desperate wars are worked out in secret practice now and then, but in general less time is put in on tricks than the general public would suppose. The principal value of secret practice in recent years has been the chance it afforded to present a changed line-up on the day of the big game—a surprise to this extent to one's opponent. Yet there has been hardly a single instance in recent years in which the news of the proposed change has not "leaked."

Early Practice.  
This year there will be early secret practice for another reason. It is barely possible that one coach may happen upon a play that to him will seem rudimentary and fundamental, and which he will use regularly. It is possible, however, that just such a play might escape some other coach, and its discoverer will not want to give it away inadvertently.

It often happens that an especially good play is tried out in the open by the second team, or even by the team of some "drop school feeder," and in this way escaped notice. Some years ago Yale defeated Princeton with a play that had been worked out unobtrusively by the freshman team, and it is to be brand new when yet appeared. It was the for-ward pass from the fake placement kick, handled to perfection by Tad Jones and Ted Coy. There was absolutely no reason why the Tigers should not have been prepared for this play.

The many victories gained by the Bitters during the past 67 years has been through its great ability in cases of Indigestion, Sick Headache, Costiveness, Biliousness, Cramps and Malaria.

CITY COMMITTEE  
KEEPS HANDS OFFContest of Maynard Passed Up to  
District Executive Com-  
mittee.

[Special to The Times-Dispatch.]  
Norfolk, Va., August 29.—It took the City Democratic Executive Committee to-night but fifteen minutes to dispose of the contest of Congressman Harry L. Maynard, so far as that body is concerned, by declining to enter into the merits of the case one way or the other, claiming that it was not a matter upon which they could pass, but that it should be carried up to the District Executive Committee for settlement.

Through his attorneys Mr. Maynard asked access to the ballot box in the Second Ward, the poll books and all records pertaining to the primary of last Tuesday. The settlement of the question had evidently been arranged, slated, and to speak, and the motion by David Cain, a member, that the matter be passed up, untouched to the District Executive Committee, was carried with the records of the election, and with a half dozen seconds, and was agreed to unanimously. That ended the committee's meeting.

## MAY MEAN GENERAL INQUIRY.

Investigation Once Begun Will Probably Extend to All Counties.  
[Special to The Times-Dispatch.]  
Suffolk, Va., August 29.—It was the district committee orders a recount of certain Norfolk precincts, which are under suspicion as to the Maynard-Yonge primary, it is believed that the investigation, once begun, will open to scrutiny voting places in all the counties of the district.

The intimations from Norfolk that Young and his friends have something up their sleeves finds partial corroboration to-day in Isle of Wight county, where a prominent Democrat said the primary at one precinct was conducted by two judges, and at another two of the judges are said to have been disqualified. It is known that at least three judges who served in Nanamond county were not qualified voters.

The visit of James V. Truhy, the Norfolk "organization" leader, to Isle of Wight on the day the canvassing board met lends color to the report.

## BRING GOOD PRICES.

Several Horses Belonging to Beverwyck Stables Sold at Saratoga.  
[Special to The Times-Dispatch.]  
Saratoga, N. Y., August 29.—A num-

ber of horses belonging to the Beverwyck stable were sold in the paddock here to-day. Sir John Johnson, a well-known performer, was sold for \$10,000. W. C. Moriarty, acting for Frank J. Nolan, owner of the Beverwyck stable, was the buyer. Moriarty also bought in the Billy Blue Mares for \$1,000. Adriaan also went to F. J. Nolan for \$2,100. R. F. Carman paid \$2,700 for Bonnie Keiso. The Artful was sold to G. Saporta for \$2,500. R. F. Carman bought Star Bottle for \$1,800.

Fined for Cursing.  
Robert L. Shelton, a white man, working at the Richmond Branch of the American Locomotive Works, was fined \$25 and costs by Magistrate Puryear of Henric county, yesterday on the charge of cursing and abusing T. L. Talley, a street car conductor. Shelton noted an appeal in the case, and was bailed for his appearance before the higher court. The conductor testified that Shelton cursed him without a trace, and when he was made to pay a fare he cursed the conductor.
